Congressional Diabetes Caucus***

present

**A Briefing on Pre-Diabetes:
57 Million Americans are on the Brink of
Diabetes
We Need to Pull Them Back**

***July 12, 2010
12 noon – 1:30 pm
B-338 Rayburn House Office Building***

Please join us on July 12, Noon – 1:30 pm, for a special briefing on the threats posed by pre-diabetes to patient health, federal spending, and economic productivity. The briefing will also outline recent research findings on evidence-based, low-cost solutions that can stop pre-diabetes and its damaging consequences. Lunch provided

***RSVP by July 9, 202-637-9466,
or sgeibel@clinical-labs.org***
